OUR MISSION:

- To call forth, train and mobilize worshipping individuals including musicians, in intercession and in worship who operate in the forerunner spirit as end-time prophetic messengers
- To establish a 24/7 prayer Room in Kingston by gathering corporately to fast and pray in the spirit of the Tabernacle of David
- To train and send out teams to plant Houses of Prayer in the communities, the Caribbean and the world.

OUR VISION:

A Mission Base to include a 24/7 Prayer Room, Conference facilities with accommodations, a Ministry School for the training of intercessors, worshipers, musicians and prophetic messengers to go forth and impact their communities and the nations of the earth as we look forward to the second coming of the Lord Jesus Christ. (We are now in possession of property to develop this Mission Base!)

JAHOP's own, TSIYON MUSIC, is pleased to announce its first single release, featuring Shelley-Anne Foster. Available now for purchase on iTunes!
